## It's Almost Gala Time!

On Saturday March 25, Preston Figure Skating Club will be presenting their 57th annual skating show. We are proud that skaters of all levels, from our youngest buddies to our national competitors, are able to take part. Information about groups, rehearsals schedules and costume fittings will be sent out within the next couple of weeks.

In order to have a successful show, we need lots of volunteers in various roles. This is also the last time to fulfill your volunteer hours for the year. We need help with set up and tear down, ushers, costumes, dressing room moms, and more. We especially need certified scissor lift operators. Please email [prestonfsc2010@gmail.com](mailto:prestonfsc2010@gmail.com) to let us know how you can help.
